Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

Section 1.3 – Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at Directory.horizonNJhealth.com. You may also call Member Services for updated provider information or to ask us to mail you a Provider Directory. Please review the 2020 Provider and Pharmacy Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:
• Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.

• We will make a good faith effort to provide you with at least 30 days’ notice that your provider is leaving our plan so that you have time to select a new provider.

• We will assist you in selecting a new qualified provider to continue managing your health care needs.

• If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.

• If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.

• If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

Section 1.4 – Changes to the Pharmacy Network

Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated Pharmacy Directory is located on our website at Directory.horizonNJhealth.com. You may also call Member Services for updated provider information or to ask us to mail you a Pharmacy Directory. Please review the 2020 Provider and Pharmacy Directory to see which pharmacies are in our network.

Section 1.5 – Changes to Benefits

Please note that the Annual Notice of Changes tells you about changes to your Medicare and Medicaid benefits.

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage for these services, see Chapter 4, Benefits Chart (what is covered), in your 2020 Evidence of Coverage. A copy of the Evidence of Coverage is located on our website at HorizonBlue.com/Medicare. You may also call Member Services to ask us to mail you an Evidence of Coverage.
### Section 1.6 – Changes to Part D Prescription Drug Coverage

#### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically. You can get the complete Drug List by calling Member Services (see the back cover) or visiting our website Medicare.HorizonBlue.com/Formulary-Lookup.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.

If you are affected by a change in drug coverage, you can:

- Work with your doctor (or other prescriber) and ask the plan to make an exception to cover the drug. We encourage current members to ask for an exception before next year.
To learn what you must do to ask for an exception, see Chapter 8 of your Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)) or call Member Services.

- **Work with your doctor (or prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy.

Formulary exception requests are generally approved for a 12 month period, and a new exception request will need to be submitted for review after that time next year.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about the changes we may make to the Drug List, see Chapter 5, Section 6 of the Evidence of Coverage.)

### SECTION 2 Deciding Which Plan to Choose

### Section 2.1 – If you want to stay in Horizon NJ TotalCare (HMO D-SNP)

**To stay in our plan you don’t need to do anything.** If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for 2020.

### Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2020 follow these steps:

**Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan,
- **OR** You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.
If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to https://www.medicare.gov and click “Find health & drug plans.” Here, you can find information about costs, coverage, and quality ratings for Medicare plans.

**Step 2: Change your coverage**

If you switch to Original Medicare and do not enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

**SECTION 3 Changing Plans**

If you want to change to a different plan or Original Medicare for next year, you can do it from now until December 7. The change will take effect on January 1, 2020.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year.

If you enrolled in a Medicare Advantage plan for January 1, 2020, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare
prescription drug coverage) between January 1 and March 31, 2020. For more information, see Chapter 9, Section 2.3 of the Evidence of Coverage.
